

# Introduction to Customs Procedures for international HGV drivers (post Brexit)

Inform drivers of the changes Brexit has had on Irish haulage operators. Help drivers to understand their new role in the customs procedures for RO-RO operations. Give drivers a working knowledge of the terminology surrounding customs procedures and documentation required for the new operating landscape.

## Course objectives/aims

The course covers the following topics.

- Commonly used terminology
- Customs documentation
- Ro-Ro procedures
- Creating a Pre-Boarding Notification (PBN) and checking its status
- Using the customs channel look-up facility
- Using the call to customs parking self-check in
- Northern Ireland protocol
- Overview of using the UK landbridge
- Obtaining a Kent Access Permit (KAP)
- Dublin and port area traffic management system

## Why choose FTA Ireland in-company training?

- **Value for money** – significant savings for members on the price of our public courses.
- **Convenience** – on-site/online training eliminates the need for expenditure and time allowances for staff travel.
- **Consistency** – FTA Ireland's Quality Assurance (QA) processes ensure standardised delivery across Ireland - crucial for evaluating training effectiveness and promoting excellence.
- **Flexibility** – through an element of content control increases relevancy and alignment with your systems and policies, and the option to bespoke training to match your business objectives.
- **High standards** – with our expert trainers using their wealth of experience to tailor courses to your company needs and requirements.

## Who should attend?
